Year 12 Final Survey - Completing year 12 in 2024

Please complete this survey if you **are completing Year 12 in 2024**

Before you start

The purpose of this annual survey is not to collect any documentation (yippee!) but to obtain feedback from you about the scholarship - both the tools provided to you as well as the experience itself. As a group you are HMEF's fourth cohort of scholars and we **need your help** to make sure we are providing the correct tools and support and to ensure we keep making our scholarship meaningful and helpful for future years to come.

Dates

We know you are going to be busy studying for your final exams, but this survey should only take an average of 12-15 minutes to complete. We'd really appreciate it if you could complete and submit this survey no later than **6 October 2024**.

ATAR

We will contact you via text the day your ATAR results are released. We ask that you reply to us via text that day with your ATAR. This is for our records only and will not be shared with any third party.

Personal Details

Please make sure all your personal details are entered correctly - including your personal email address - as we will use these details to contact you when you no longer have access to your school email account.

Support

If you have any questions about this survey, please contact Miriam Heuving at the Harding Miller Education Foundation by email at (miriam.heuving@hardingmiller.org.au) or call 02 7201 9083.
